Sat/Sun 10am-6pm

I am offering these Pulsing Master Training weekends for people who have already done the Basic Pulsing Training weekends and who want to expand and deepen their skills, understanding and enjoyment of Pulsing.

The first three **Master Training weekends** in **February, April** and **July** 2010 focus on the front / the back / the sides of the body while integrating the work with the whole bodymind perspective. Successful attendance of all three weekends leads to the **Pulsing Master Certificate**.

Cost is £120 per single weekend or £300 for all three weekends booked together. When booking all 3 weekends together, you may also join the Pulsing Intensives in May and November 2010 at no extra cost.

The fourth weekend in **September** 2010 is for people who have completed the Master Pulsing Certificate and show interest and aptitude to further develop their Pulsing teaching skills. Cost of this weekend is £130.

Please let me know if you are interested or intend to book for these Master Training weekends: silke.ziehl@entelia.com, mobile 07764 200113.
